Subject: **IMPORTANT UPDATE** Skid Row Neighborhood Council
Importance: High

Everyone,

Councilman Huizarâs office is receiving your feedback on this issue. Your calls and emails are definitely being noted.

UPDATE: The City Council Rules & Elections committee has just added a **special 5:30pm meeting for TOMORROW** to discuss online voting for the Skid Row Neighborhood Council election. Councilmember Huizar is a member of this committee and will be present. _

_

We need you at this meeting

-

This is an important opportunity to provide the same testimony as yesterday. This election process has not been open and transparent, the outreach was not inclusive, and the majority of those who will be affected by the outcome had no knowledge of the proposal. Online voting is only one aspect of a fair neighborhood council election.

I have attached the Council committee agenda. We need a strong and representative group to appear and testify. Again, if it is helpful, we can provide transportation to City Hall from our office.

Cordially,

Estela Lopez
